If you decide to fish in the afternoon, it is recommended that a minimum tip of \$20.00 to \$30.00 per guide depending on the length of the trip. Our cooks work extremely long hours and do an excellent job. There will be a tip box set up in the main lodge, that you can deposit money into, if you so desire, and this money will be distributed evenly among our cooking and housecleaning staff. For your information and use as a guideline, their combined average total tip for a party has been \$300.00.
